Prohibited Activities

- Controlled substances and alcohol will not be tolerated when carrying a firearm, your adventure can be terminated and no refund will be provided if this occurs, our decision will be based on our own instincts and the decision will be final.
- We DO allow alcohol during your stay with us and require that our guest drink responsibly. We ask that you keep in mind that you may be at camp with other hunters that choose not to partake or engage in other activities. We ask that you respect everyone while you staying at bear camp and have a great time.
- Improper handling of firearms at any time will not be tolerated, if you do not understand how to handle a firearm safely we will do our best to provide instruction for you, mishandling of firearms may result in being asked to leave.
- Your guide is responsible for everyone's safety, you will follow all rules of gun safety, you will listen and follow instructions before during and after any activity provided by Veteran Outfitters and any staff employed by your guide, for your safety and everyone else's safety this must be adhered to, failure to do so is grounds for termination of activities with no refund provided.
- It is of utmost importance to stay in areas that your guide instructs you to remain until our return to pick you up from your activity with Veteran Outfitters. Getting lost in Maine's dense forest is not a place you or we want to have happen while on an adventure with us.

PLEASE NOTE

This is a very general list, we ask that you use common sense and ask questions if you have them, no question is a dumb question, we are here to ensure you have a great time all while keeping everyone safe.

YOUR AND THE REST OF THE CAMP'S SAFETY IS OUR #1 PRIORITY!
